The columns shaded grey only appear in the ‘‘Professional‘‘ programming mode (see Section 7.1.5)

System settings (Please tick or fill in)

Programming level: Standard/ Professional **External alarm:** yes / No if „yes“, which socket? No. **Memory interval:** Hrs.: Min.: Sec.:

Measurement display: Conductivity: Siemens / Salinity / Density **Redox:** mV / rH-Value **Oxigen:** mg/l / % **Display duration:** Int. display: 1,2,4 Ext. display1,2,4

Control pH-value

Sensor-No.:	Process-No.:	Control type:	Value (Day):	Value (night):	Upper alarm:	Lower alarm:	Which socket?

control temperature

Sensor-No.:	Process-No.:	Control type:	Value (Day):	Value (night):	Value (Summer, Day):	Value (Summer, Night):	Value (Winter, Day)	Value (Winter, Night):	Upper alarm:	Lower alarm:	Which socket ?

control redox, conductivity, level, oxigen

Sensor-No.:	Kind of sensor :	Process-No.:	Control type:	Value:	Alarm time: (only for level)	Upper alarm:	Lower alarm:	Which socket ?

timers

Timer No.:	Daily / weekly:	Begin:	End:	Which socket ?	Cntrlbl. socket % (On)	Cntrlbl. socket %(Off)	Application:

The columns shaded grey only appear in the ‘‘Professional‘‘ programming mode (see Section 7.1.5)

Interval funktions

Interval-No.:	Begin:	End:	How long on?	Random fac. on?	How long off?	Random fac. off?	Which socket?	Cntrlbl. socket % (On)	Cntrlbl. socket %(Off)	Application:

Day/Night-simulation (Lighting control)

Li process No.?	Day / Night	Lati-tude?	Longi-tude?	Time zone?	Sunrise:	Sunset:	Which socket ?	variable socket % On)	variable socket %(Off)	Application:

Lunar phase simulation

Mo process No.?	Lunar-Phase	Lati-tude?	Longi-tude?	Time zone?	Sunrise:	Sunset:	Which socket ?	Cntrlbl. socket % On)	Cntrlbl. socket %(Off)	Application:

Current simulation

Cu process No.?	Current/ Hi/Lo tide	Tide duration	Random factor	Wave duration	Fall off	Socket Hi-tide?	Cntrlbl. socket (On)	Cntrlbl. socket (Off)	Socket Lo-tide?	Cntrlbl. socket (On)	Cntrlbl. socket (Off)	Application:

View of switch-sockets

Panel 1 (L1) Cntrlbl. yes/no	Application:	Panel 2 (L2) Cntrlbl. yes/no	Application:	Panel 3 (L3) Cntrlbl. yes/no	Application:	Panel 4 (L4) Cntrlbl. yes/no	Application:
